### Summer 2

#### After School Club

The After School Clubs on Monday and Wednesday continue to be popular, with new students joining both sessions this term. We have extended the finish time for both clubs to 6pm to allow the students to prepare their own meals and make trips to local restaurants, bowling etc. Last term, students enjoyed planting fruits and vegetables which are continuing to grow, they were also able to visit local garden centres and parks to see what other plants grow. Please to be on time to collect your son /daughter at the end of each session and do call us if you are going to be late some reason. Please note that if you are more than 15 minutes late collecting your child on more than one occasion, your place will be offered to another student for the remainder of that half term.

#### Saturday Clubs

These have been very successful so far. The next Saturday club is Saturday 25th June 2016, where students will be visiting Ruislip Lido. Spaces are now full. If you have been accepted for a space please can you send your remittance into school as soon as possible.

## Family Services Places

All sessions are subsidised by the school. It is important that if you are unable to use the place allocated to you that you either email to cancel your place, or call to speak to Stephanie or Sophia. This will allow us to allocate the places to other students as there is a high demand. Unfortunately, due to the high cost of running the sessions, once places have been booked and paid for, we are unable to offer refunds.

## Coffee Mornings

Coffee mornings have been very popular and last term we held two great workshops. We would like to thank Kath for running a Sleep Workshop and Annie for running a 2 week Sensory Workshop. We are really looking forward to the new term's coffee mornings; letter to follow. We hope you're as excited as we are about the new school year.

## Resource Library

Signing up packs for the newly renovated resource library are now available, please speak to Stephanie if you require more information. This is continuing to be popular across the academy.

## Coffee Mornings

Friends of Moorcroft are a charity set up to support the young people and their families at Moorcroft School. It has a small committee who raise funds by holding various fundraising events. This year's PROM is on Friday 24th June 2016, and the theme this year is 'The Great Gatsby'. Tickets have been sent out to leavers and we are looking forward to the evening.
